

National Center for Advancing Translational Sciences

## Joint Meeting of the National Center for Advancing Translational Sciences (NCATS) Advisory Council (19th) and

## Cures Acceleration Network (CAN) Review Board (24th)

Building 31C, 6th Floor, Conference Room 6, NIH Campus, Bethesda, Maryland Open Session of the meeting will be webcast. To view, please go to <u>NIH Videocast</u>.

8:30 a.m.       Call to Order, Open Session         > Christopher P. Austin, M.D., Director, NCATS; Chairperson, NCATS Advisory Council         > G. Lynn Marks, M.D., Senior Research & Development (R&D) Advisor, Biomedical Advanced Research and Development Authority (BARDA), Office of the Assistant Secretary for Preparedness and Response (ASPR), U.S. Department of Health and Human Services (HHS); Chairperson, CAN Review Board         Confirmation of Dates for Future NCATS Advisory Council/CAN Review Board Meetings         Approval of Minutes from May 2018 Joint Meeting         > Anna L. Ramsey-Ewing, Ph.D., Director, Office of Grants Management and Scientific Review, NCATS; Executive Secretary, NCATS Advisory Council and CAN Review Board         8:35 a.m.       Director's Report         > Christopher P. Austin, M.D., Director, NCATS         Discussion       BREAK         10:00 a.m.       Clearance of Concepts         Drug Development Collaboratory       > Bobbie Ann Mount, Ph.D., Program Officer, Orige Development Program, NCATS         Biofabricated 3-D Tissue Models of Nociception, Addiction and Overdose for Drug Screening of Biofabricated 3-D Disease Tissue Models         > Dobrila D. Rudnicki, Ph.D., Program Officer, Office of Special Initiatives, NCATS         Tissue Chips to Model Nociception, Addiction and Overdose for Drug Screening         > Dobrila D. Rudnicki, Ph.D., Program Manager, Office of Special Initiatives, NCATS         Tissue Chips to Model Nociception, Addiction and Overdose: "Tissue Chips to HEAL"         >	September 27, 2018 Agenda
